☐ ⊘ **User can delete notes** `bug` `enhancement`   #15
Opened by GIdeus 15 days ago

Current Tests and Status of Tests

Other Accomplishments:

Reprioritized Use Cases for recipes and brought them into Sprint 1.

Reprioritized Batch related Use Cases into backlog. These Use Cases will be able to be defined after the basic Batch functionality is created.

Creation of revised solution file

Creation of automated package restores
